Residential school survivor testimony has long been filled with stories of students digging graves for their classmates, of unmarked burials on school grounds, and of children who disappeared in suspicious circumstances.

**MORE THAN  
151,000 CHILDREN  
WERE TAKEN  
FROM THEIR HOMES**

After having visited 35 government funded schools in western Canada, it was reported that 25 percent of all children who had attended these schools had died; at one school, the number was 67 percent.
